- **Not Included:** Lunch – Entrance tickets to other monuments
- **Places we visited:** City of Tomar, Convent of Christ and Castle of Almourol
- **Additional Information:** Wear comfortable shoes and a coat, it is not accessible to wheelchairs.
- **City of Tomar:** Still little known by tourists, it is a city that holds a lot of history, the main one is directly linked to the Knights Templar. With the dissolution of order in Europe, in Portugal were gaining strength.
- **New order of Christ:** from the Portuguese Crown these knights received the castle of Castro Marim as its headquarters, but in 1357 the Order of Christ was transferred to Tomar, a city founded by the Knight Gualdim Pais, who participated in the crusades to protect pilgrims going to Jerusalem
- **Almourol Castle:** it is located on an island in the middle of the Tagus River. It's a journey through medieval time, built on a granite outcrop 18 meters above the water level, on a small island of 310 meters long by 75 meters wide, it is one of the most representative examples of the military architecture of the time, simultaneously evoking the beginnings of the kingdom of Portugal and the Order of Templars, an association that reinforces its aura of mystery and romanticism
